RE: Public Input Meeting Minutes  
Regarding Variance Request  
Outparcel 3-The Shoppes at Atlanta  
Ridgewalk Parkway, Woodstock GA

A Public input meeting was held on January 2<sup>nd</sup>, 2013 at 7:00 PM at The City of Woodstock's Magnolia Hall located at 108 Arnold Mill Road, Building C, Woodstock, GA 30188. The variances were discussed and explained to the attendees; after the explanation of the requests a few items were expressed by the attendees. Three individuals were present; please see the attached attendance sheet.

The concerns presented were as following:

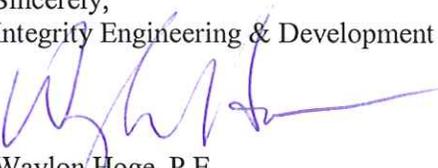

- A: Light spillage and glare;
- B: Noise from the drive thru speakers;
- C: Odors coming from the building

In order to mitigate these concerns; shoe box light fixtures will be used on the site; the drive thru speakers will be oriented towards the back of the site and will be equipped with a day/night volume setting; the hoods over the grills in the kitchen will be equipped with scrubbers to minimize odors.

At the conclusion of the meeting the attendees were generally supportive of the project
