The Mayor, City Council, and City Staff have always taken great pride in honoring our men and women who have served our country in its times of need. Now, the City of Woodstock and American Legion Post 316 would like to take this opportunity to invite you to help us honor those who have served our country. The Military Banner Program salutes our brave men and women who are currently serving and those who have served in our military by displaying a light pole banner in their honor to be exhibited in Woodstock in celebration of Memorial and Veterans Day for years to come.

Enrollment in the Military Banner Program costs \$150.00, and includes one 18" X 55" double-sided, full-color, vinyl banner. (See example below.)
