

Subject: Towne Hall Meetings
Policy No.: 000-0005
Effective Date: Revised 12/14/2020

BACKGROUND: The Mayor and Council have been hosting Towne Hall Meetings by Ward since January 2006. On October 24, 2011, the Mayor and Council voted to amend the Towne Hall Meetings Policy to try to attract more interest from the general public. Beginning in 2012, the Towne Hall Meetings will not be held by Ward but at large. Meetings will be advertised with the topics of discussion, date and time and location. All meetings will be held at The Chambers at City Center and a sponsor for each meeting will be sought.

The Towne Hall Meetings will be held at least twice a year on an as needed basis. Meetings may be held virtually or in person at the Mayor’s discretion.

ADVERTISEMENT: All Towne Hall Meetings will be posted on the website, in the City Calendar, the Towne Hall Newsletter, sent via email to the public and media, posted on flashing signs at least one week prior to the meeting (pending not in use for more urgent reasons), and posted to social media accounts.
